MEMORANDUM FOR: See Distribution

SUBJECT: BLACK SHIELD Status Charts

1. Existing BLACK SHIELD status charts are closed out as of 16 July 1965. Each office will please prepare a historical summary of BLACK SHIELD as it pertains to that office and as of 16 July, include a summary of actions planned, completed, delayed or negated. Insofar as possible, include the reasons why any action was not completed either on time, or not at all. Any reliable estimates of the time necessary to do specific tasks which remain should also be stated. Coordinating actions with other offices or agencies should be clearly outlined with specific reference to the reasons why coordination was necessary, the people or offices involved and the date the coordination was completed or attempted.

2. All BLACK SHIELD charts in the Control Center entered in the Commander's Book are to be reviewed and revised to show the new sequence of events and planning factors. These new charts should show a goal toward which progress may be measured weekly.

3. Plans Division will coordinate BLACK SHIELD status chart revision and production. Plans Division will also have the necessary forms printed for the Commander's Book as they are approved by the Deputy for Field Activities.

4. Please have all necessary charts in draft form by 5 August 1965, at which time we will meet in the Control Center to establish the charts in their final form. One representative from each office is requested to attend this meeting at 0900, 5 August 1965. As the charts are approved in their final form, they will be completed by the Graphic Arts Section and
